Hi Cynthia,

Thanks for following-up.

We have been working with our Bureau of Engineering Dept because the private property owners have experienced a few road blocks along the process, we are continuing to assist them as best as possible. This is a huge encampment so another thing that we should also be thinking about is where they will all go once the fencing is up. We will be re-directing the problem elsewhere so we should also work with our outreach teams to continue to go out and try and offer permanent help.

Matthew who is included in this email is in charge of reporting our homeless encampments for Boyle Heights, in the future please send the requests over to him directly and he will make sure that they are scheduled for cleanup.

Thank you,

- Rocio

Hello Nate and Rocio,

We've recently had an increase in crime below the 1st St. bridge, near Myers. I know that we have discussed the possibility of fencing this area in the past. My understanding is that one business submitted plans to possibly lease this area out and maintain it for the City. Officer Griego and myself are meeting with the neighboring business today because their driveway is being blocked by the encampments. The criminal activity in this area includes: a stabbing; a robbery; gun arrests; and narcotics. I have included Captain Labrada and Officer Griego in this email because this location has become an anchor point within our division.

Please note that I sent an email to Edna Degollado to get some help w/ prioritizing this area for cleanup. Our biggest concern is that Mendez High School is located about 100 yards away and students walk by this location daily.

Can you please assist us in getting this area fenced off or contacting the responsible department to help us.

Please see photos attached.

Thank you.

Cynthia
